

## *Facial Descriptions*

### *Crash Treatment*

Using 3 powerful, concentrated, active ampoules, skin is saturated with moisture, leaving it incredibly soft and smooth in just minutes.

### *AHA Peel*

Layers of skin are peeled away, revealing a brighter, refined complexion. Fast and effective.

### *25 Minute Power Facial*

For those who don't have time for a full treatment, but want big results. Using Doctor Babor Derma Cellular line, skin is doused collagen, hyaluronic acid, tri-peptides and proteins to leave you visibly firmer.

### *Gentleman Hot Towel Facial*

Skin is soothed, calmed, lipid levels are balanced, and protected against free radical damage. Lines and age spots are diminished, and circulation is increased. This facial caters to the needs of the athlete or the business man.

### *Intense Purifying for Acne*

Targeted treatment purifies the complexion, refining pores, leaving skin perfectly balanced. Treatment removes excess oil without drying the skin, and will result in a more even, beautiful complexion.

### *Skin Performance*

Customized, age-prevention to accommodate all skin types and skin conditions. This innovative, power-packed treatment will protect your cell's DNA, catalyzing powerful ingredients into the heart of the skins cells for ultimate anti-aging results.

### *Vitamin Detoxifying*

Essential for regeneration, this blend of potent vitamins, minerals and lipids neutralize from the inside out, releasing harmful substances that induce aging. The result is detoxified skin, vitalized with nutrients essential for maintaining a visibly radiant and youthful complexion.

### *Dr. Babor Ultimate Peel*

Cosmeceutical technology, along with your choice of either microdermabrasion or an AHA peel, will deeply exfoliate, smooth and transform skin. Collagen booster ampoules and plumping biomatrix mask intensify collagen production, building moisture back into the skin. Skin is supple, smooth and youthful.

### *ReVersive Facial*

Innovative, luxury facial treatment retains and extends skin cell life spa, reactivates skin's own anti-aging mechanisms and reclaims lost radiance. Lifts, smoothes lines and wrinkles.

### *Dr. Babor HSR 3-D Lifting Treatment*

Extreme, intense, lifting facial using the Nobel Prize discovery, HSR technology. This treatment is based on a 4-dimensional, Deep Lift Concept; intense opening of the skin down to the dermis, activation and optimizing the density, firmness and structure of the collagen and elastin fibers. Targeted delivery and firming via special massage and application techniques, followed by a modelage mask to achieve the desired lift.
